BETWEEN

**THE CITY OF YORBA LINDA
(hereinafter called "City")**

**THE YORBA LINDA MID-MANAGEMENT ASSOCIATION
(hereinafter called the "Association")**

PREAMBLE

WHEREAS, pursuant to California law, the CITY acting by and through its designated representatives duly appointed by the governing body of said CITY, and the representatives of the ASSOCIATION, a duly recognized employee association, have met and conferred in good faith and have fully communicated and exchanged information concerning wages, hours and other terms and conditions of employment for the period of July 1, 2024 through June 30, 2027;

WHEREAS, except as otherwise expressly provided herein, all terms and conditions of this agreement shall apply to all employees represented by the Association; and

WHEREAS, the representatives of the CITY and the ASSOCIATION desire to reduce their agreement to writing.

NOW, THEREFORE, this Memorandum of Understanding is made to become effective July 1, 2024 and it is agreed as follows:

ARTICLE I

REPRESENTATION UNIT

It is recognized that the Yorba Linda Mid-Management Association is the employee organization which has the right to meet and confer in good faith with the City on behalf of the mid-

management employees of the City of Yorba Linda whose classifications are listed in Exhibit "A" of this agreement.

The City shall provide bulletin boards or space on existing bulletin boards at all City facilities. Such bulletin boards are to be available for the purpose of posting notices pertaining to Association business only.

ARTICLE II
BASIC COMPENSATION

There is hereby established a basic plan of classification, compensation and terms of employment for all mid-management employees of the City of Yorba Linda who are now or will in the future be employed in any of the classifications of employment listed in Exhibit "A".

The plan is created and established in order to recognize efficient service and will aid in establishing the principle of equal pay for equal work for municipal employment. The basic compensation plan shall consist of the monthly compensation ranges listed in Exhibit "A". Each range includes five (5) steps or rates of pay and shall be interpreted and applied as follows:

- A. The first step is the minimum rate and is normally the hiring rate of the class. The City Manager is authorized to make an appointment to a position at any other level of the salary range when he deems it necessary.

- B. Every employee in a regular, permanent, competitive service position shall have a salary anniversary date established at the completion of six (6) months of satisfactory service and shall receive a merit increase at this time upon recommendation of the Department Head and approval of the City Manager. In the event a mid-management employee is hired at the third step (C Range) or higher, the salary anniversary date will be established at the completion of one (1) year of satisfactory service and may receive a merit increase at this time upon recommendation of the Department Head and approval of the City Manager.

- C. Salary on Promotion. When an employee is promoted from employment in one classification to employment in a classification allocated to a higher range, he/she shall be advanced to the lowest step in such higher range which will provide not less than a five percent (5%) wage increase, not to exceed top step. A new salary anniversary date shall be established which shall be six (6) months from the effective date of the promotion.
- D. Reassignment of Compensation Ranges. Any employee who is employed in a classification which is reassigned to a different salary range from that previously assigned shall be retained at the same salary step in the new range as previously held and shall retain credit for the length of service in such step; provided, however, the City Manager may at the time of reassignment, place the employee in such step and make such change in anniversary dates as may be deemed appropriate.
- E. Compensation on Transfer. The salary rate and salary anniversary date of an employee who is transferred within the classification shall not change.
- F. Change in Class Salary Range. If a classification is allocated to a different salary range, an employee in a position in that classification shall be compensated at the same numbered step in the new range as he/she was receiving in the previous range and his/her salary anniversary date shall not change.
- G. Compensation for Provisional Appointments. Subject to the following limitations, an employee who is required on the basis of a provisional appointment, to serve in a class with a higher salary range than that of the classification in which he/she is normally assigned, shall receive the entrance salary rate of the higher salary or one rate higher than the rate he/she normally received, whichever is greater.
1. The written approval of the City Manager shall be required.
 2. The employee shall perform all the duties and assume all the responsibilities of a higher class.

3. Compensation for acting appointments shall be limited to the temporary filling of a vacant regular position due to termination, promotion, or extended sick leave of the incumbent or the temporary filling of newly budgeted positions.
-
- H. Salary on Demotion. An employee who is demoted shall have his/her salary rate reduced to the nearest lower salary rate of the classification of the position to which he/she is demoted. He/she shall not be required to serve a probation period in the lower position. The effective date of the demotion shall become his/her new salary anniversary date, and he/she shall earn eligibility for annual merit increases thereafter.
 - I. Length of Service Required when Advancement Denied. When an employee has not been approved for advancement to the next higher step, he/she may be reconsidered for such advancement at any subsequent time up to their next regular semi-annual or annual eligibility date.
 - J. Special Merit Advancement. In such cases wherein an employee demonstrates exceptional ability and proficiency in the performance of his/her duties, his/her Department Head may recommend to the City Manager a special merit increase without regard to the minimum length of service. Advancements under this Section shall not change the employee's salary anniversary date.
 - K. Pay Periods. All employees shall be paid on a biweekly basis. The basic biweekly salary shall be computed by multiplying the monthly salary by twelve (12) months and dividing the resultant product by twenty-six (26) pay periods. The basic hourly rate for all employees with a scheduled forty (40) hour work week shall be computed by dividing the biweekly salary by eighty (80) hours.
 - L. Work Week and Work Day. The regular work week for all employees shall be forty (40) hours. For purposes of accruing vacation, sick leave and bereavement leave, the working day for forty (40) hours per week employees shall be eight (8) hours.

- M. Lead Pay Employees designated by the City Manager as the lead employee in a particular classification shall receive additional pay in the amount of 5% of their base salary.
- N. Out of Classification Pay Employees designated by the City Manager as having been assigned special job duties on a temporary basis that are 1) outside of the job description for their classification and 2) for reasons other than provisional appointment as outlined in Article II(G), shall receive additional pay in the amount of 5% of their base salary. This pay shall **NOT** be categorized as Special Compensation, within the meaning of the Public Employees' Retirement Law, for purposes of computing pensionable compensation. Employees will be required to sign a form acknowledging their understanding that this additional pay will not be added to their base pay for purposes of computing pensionable compensation.

ARTICLE III
COMPENSATION

Effective July 1, 2024, each classification in the bargaining unit shall be adjusted by a 6% cost-of-living adjustment (COLA).

Effective July 1, 2025, each classification in the bargaining unit shall be adjusted by a 6.0% COLA.

Effective July 1, 2026, each classification in the bargaining unit shall be adjusted by a 3.0% COLA.

Classifications and Salary Ranges are included in Exhibit "A"

ARTICLE IV
RETIREMENT

Employment with CITY is subject to the California Public Employees' Pension Reform Act of 2013 (hereinafter "PEPRA") and the California Public Employees Retirement System (hereinafter "CalPERS").

Pursuant to PEPRA, individuals who are employed by any public employer before January 1, 2013, and who become employed by CITY for the first time on or after January 1, 2013, shall be subject to the retirement plan that was available to comparable CITY safety or non-safety employees as of December 31, 2012, if the individual was subject to reciprocity with CalPERS.

Pursuant to PEPRA, individuals who were previously employed by CITY, and who become reemployed by CITY after January 1, 2013, shall be subject to the retirement plan that was in effect at the time they separated from the employment of CITY, regardless of the length in the break of service.

PEPRA requires a different benefit plan for CITY employees who are hired on or after January 1, 2013, and who are new employees and new members on or after January 1, 2013.

PEPRA defines a "new employee" to mean either of the following: an employee, including one who is elected or appointed, of a public employer who is employed for the first time by any public employer on or after January 1, 2013, and who was not employed by any other public employer prior to that date. A "new employee" also means an employee, including one who is elected or appointed, of a public employer who is employed for the first time by any public employer on or after January 1, 2013, and who was employed by another public employer prior to that date, but who was not subject to reciprocity.

PEPRA defines a "new member" to mean an individual who becomes a member of any public retirement system for the first time on or after January 1, 2013, and who is not a member of any other public retirement system prior to that date; an individual who becomes a member of a public retirement system for the first time on or after January 1, 2013, and who was a member of another public retirement system prior to that date that was not subject to reciprocity; or an individual who was an active member in a retirement system and who had a break in service of

more than six months before returning to active membership in that same retirement system with a new employer.

Effective January 1, 2013, public employers that offer a defined benefit plan shall only offer the defined benefit formulas to new members established pursuant to PEPRA.

Effective January 1, 2013, each retirement system that offers a defined benefit plan for non-safety members who are new members will have a retirement formula that is 2% @ 62.

Equal sharing of normal costs between public employers and public employees shall be the standard for new members. The standard shall be that employees pay at least 50% of normal costs. Employers cannot pay any of the required employee contribution for new employees who are also new members.

The "normal cost" is defined as the annual actuarially determined normal cost for the defined benefit plan of an employer expressed as a percentage of payroll.

Once the new member's contribution rate is established, the employee's contribution rate can automatically be adjusted upwards or downwards, but only if the normal cost rate increases or decreases by more than 1% of payroll above or below the normal cost rate in effect at the time the employee contribution rate is first established, or the normal cost rate in effect at the time of the last adjustment of the employee contribution rate.

The employee contributions for new members may be more than one-half of the normal cost if the increase has been agreed to through the collective bargaining process subject to several restrictions.

Final compensation for new members shall now mean the highest average annual pensionable compensation earned by the member during a period of at least 36 consecutive months immediately preceding his or her retirement. The member also has the option of designating an alternative 36 consecutive month period during the member's applicable service.

Classic Members

This retirement plan only applies to classic members within the meaning of PEPRRA. Classic members are those individuals employed by CITY prior to January 1, 2013. Classic members are also those individuals who are hired by CITY after January 1, 2013, and who were employed by another public agency prior to January 1, 2013, and who had membership with a previous reciprocal retirement system without a six-month break in service between employment by eligible public agencies.

The City shall provide a retirement benefit package for the employees which is based on single highest year compensation and includes unused sick leave credit, post-retirement survivor allowance and Level 4 1959 Survivors Benefits.

As of July 2016, classic members shall contribute a total of 7.0% PERS contribution towards the employer's share, and CITY shall contribute the balance of the employee's and employer's share of the contribution to PERS pursuant to Government Section Code 20516(a).

As of August 7, 2007, the City pays and reports the value of Employer Paid Member Contribution (EPMC) to CalPERS as additional compensation for each employee. This benefit shall consist of paying 7% of the normal contributions for employees, and reporting this 7% as compensation earnable.

New Members

This retirement plan only applies to new members hired by CITY on or after January 1, 2013.

The member contribution rate will be half the normal cost of payroll as determined by CalPERS. The member contribution rate may change over time if the total normal cost rate for new miscellaneous members fluctuates by more than 1% of payroll. The total normal cost rate will be impacted over time by the actual demographics of CITY's miscellaneous plan and the actuarial assumptions used in the funding of the retirement benefits. The member rate will be reviewed once a year by CalPERS when the actuarial valuation of CITY's miscellaneous plan is performed.

CITY shall promptly notify Association and the affected member of any change in the member contribution rate imposed by CalPERS during the term of this MOU. Any such change in the member contribution rate is mandatory, and it shall be implemented by City in accordance with the CalPERS notification. Any change in the member contribution rate during the term of this MOU imposed by CalPERS shall not be subject to the meet and confer process, and the parties specifically agree that changes in the member contribution rate for new members are outside the scope of representation.

These benefits are not available to limited service employees which include part-time, seasonal or temporary employees.

ARTICLE V

Additional life insurance coverage may be purchased if the employee pays for the additional premium. Upon separation from employment, continuation life insurance coverage may be purchased if the employee pays for the additional premium.

The cafeteria plan is utilized first to pay health insurance premiums; any residual amount may be received as cash. Employees may elect to adjust their contribution to deferred compensation in an amount equal to part or all of any residual amount above the cost of their medical premiums.

Employees that wish to opt-out of medical coverage with the City of Yorba Linda will receive the cash equivalent of the cafeteria amount subject to their hire date. To qualify to waive medical coverage with the City of Yorba Linda, the employee must show proof of coverage in a group health plan such as with a spouse's employer. Proof of other group coverage must be submitted each year at open enrollment.

Retired, competitive service employees and employees' dependents Retirees and their dependents are eligible to participate in the CALPERS PEMHCA medical program.

Employees hired before April 1, 2017, will receive the CALPERS minimum required contribution toward their retiree medical. The above contribution amounts will be adjusted on a yearly basis effective January 1st of each year, according to the published CALPERS PEMCHA premium rates for Orange County. The amount deposited into each retiree's HRA account will be no greater than the total cost of their monthly health insurance premium, and any remaining funds not utilized for premiums is forfeited to the City.

Employees hired on or after April 1, 2017, will receive the CALPERS minimum required contribution toward their retiree medical.

Part-time permanent employees and employees' dependents

Effective January 1, 2015, the City will pay \$269.46 per month for the PERS Health Plan premium on behalf of those employees and their dependents who opt to participate in the PERS Health Plan. City health contribution increases for Permanent Part-time (30 hour) employees will be adjusted in accordance with the Affordable Care Act formula published on a yearly basis. The employee will be required to pay for the balance of the premium.

Part-time permanent employees enrolled in the CALPERS medical program may continue on coverage if they retire from the City of Yorba Linda within 120 days of separation from the City. The City will contribute the required CALPERS minimum contribution toward their retiree coverage.

Employees will work eight days for nine hours per day and one day for eight hours, for a total of eighty hours in two consecutive work periods. Exceptions to the 9/80 work schedule shall be those employees determined by the City Manager to be necessary in order to maintain specific City operations and service levels.

ARTICLE X

VACATION LEAVE

All regular, permanent, competitive service mid-management employees shall be granted annual vacation leave and shall accrue annual vacation leave on the following basis:

- | | |
|------------------------|--|
| 1 - 3 years of service | 2 weeks/year or 3.077 hours/pay period |
| 4 - 9 years of service | 3 weeks/year or 4.615 hours/pay period |
| 10 + years of service | 4 weeks/year or 6.154 hours/pay period |

Part-time regular, permanent competitive service employees shall accrue vacation time on a pro-rata basis based on the full-time equivalent level of their position (e.g. 0.75 or 0.50).

Employees may accumulate an amount up to double their annual accrual. Any excess “carryover” must be approved by the City Manager. Once the maximum accrual is reached, there is no more accrual of vacation until one goes below the maximum and has “cap room” to accrue.

Any unused vacation time above one-half of the employee’s annual vacation accrual may be subject to buyback in June of each year at the employee’s option. The buyback is based on the number of unused vacation hours requested for buyback multiplied by the employee’s hourly rate. In order to be eligible for the yearly buyback, an employee must utilize a minimum of forty (40) hours of vacation during the fiscal year in which the buyback is requested.

All regular Mid-Management employees who elect Mid-Management Annual leave under ARTICLE XII, and all regular Mid-Management employees who are hired after [MONTH] [DAY] [YEAR], shall no longer accrue vacation leave under this article. Instead, these Mid-Management employees will accrue Annual Leave under ARTICLE XII.

ARTICLE XI
SICK LEAVE

All regular, permanent, competitive service employees shall accrue annual sick leave at a rate of one day (eight hours) per calendar month. Part-time, regular, permanent, competitive service employees shall accrue sick leave on a pro-rata basis based on the full-time equivalent level of their position (e.g. 0.75 or 0.50). Employees are eligible to accumulate a maximum of 2,500 hours of sick leave.

Employees hired prior to July 1, 2001, shall be paid upon separation any accumulated, unused sick leave at the rate of 25% after ten (10) years of service; 50% after fifteen (15) years of service; and 75% after twenty (20) years of service. Unused sick leave shall be paid at a rate of 100% only if the employee contributes the entire amount of the funds up to the IRS annual limit into a qualified deferred compensation plan implemented by the City with any funds beyond the IRS annual limit paid at the cash-out rate of 100%.

Employees hired on or after July 1, 2001, shall not be eligible for the payoff of unused sick leave upon separation as set forth above.

All regular Mid-Management employees who elect Mid-Management Annual leave under ARTICLE XII and all regular Mid-Management employees who are hired after January 1, 2025, shall no longer accrue annual sick leave at a rate of one day (eight hours) per calendar month as of January 1, 2025. Any sick leave balances that remain as of January 1, 2025, in an employee's accrual bank will be frozen and not increased going forward. This balance may be used for actual sick leave, paid upon separation in accordance with this Article, or converted to service credit upon retirement with CalPERS in accordance with the City's contract with CalPERS. Employees may choose whether to utilize annual leave or any remaining sick leave when they are sick until they have depleted their sick leave hours accrued prior to January 1, 2025.

ARTICLE XII

MID-MANAGEMENT ANNUAL LEAVE

All regular Mid-Management employees hired on or before January 1, 2025, shall make a one-time irrevocable election by December 1, 2024, to either remain covered under the existing provisions of Article X – Vacation Leave and Article XI – Sick Leave, or to transition to Mid-Management Annual Leave under this article.

5 + years of service	5.5 weeks/year or 8.462 hours/pay period

Employees may accumulate an amount up to double their annual accrual. Once the maximum accrual is reached, any excess "carryover" must be approved by the City Manager, otherwise, the employee will be paid for the excess leave on each pay date where the maximum accrual amount is exceeded until such time as the leave balance drops below the maximum accrual.

Any unused annual leave time above one-half of the employee's annual accrual may be subject to buyback in June of each year at the employee's option. The buyback is based on the number of unused annual leave hours requested for buyback multiplied by the employee's base hourly rate.

ARTICLE XIII

PERSONAL NECESSITY LEAVE

All regular, permanent, competitive service employees participating in a 9/80 Plan shall not be granted personal necessity leave. All regular, permanent, competitive service employees not participating in a 9/80 Plan shall be granted personal necessity leave not to exceed five (5) days per fiscal year. Personal necessity leave shall be used for emergency or unforeseen necessities only. Personal necessity leave shall be deducted from accumulated sick leave so long as the employee has a balance of available sick leave hours. Otherwise, personal necessity leave shall be deducted from accumulated annual leave.

ARTICLE XIV

INDUSTRIAL SICK LEAVE

Whenever any permanent employee is absent on account of injuries arising out of and in the course of his or her employment, such employee shall receive full compensation during the first three (3) days of such absence. Thereafter compensation shall be paid in accordance with and under the provisions of the Workers' Compensation Insurance and Safety Act of the State of California. The CITY shall, in addition thereto, compensate for any such employee who is still absent from duty after the third day, an amount equal to the difference between the amount said employee receives from the Workers' Compensation Insurance Fund and the amount of his or her regular compensation. The employee is justly entitled to receive the maximum allowance as provided herein. This additional compensation shall be for a maximum period of one-hundred

eighty (180) calendar days. The one-hundred eighty (180) calendar day period need not be consecutive if the employee's absence is directly traceable to a single accident.

ARTICLE XV

SUBPOENAED ABSENCE

A regular, permanent, competitive service employee who is called to answer a subpoena as a witness for court appearances during the employee's work hours shall be compensated at his or her regular rate of pay for all hours of absence from work due to answering the subpoena on CITY business provided the employee shows proof of such subpoena and deposits witness fees received for such hours, exclusive of mileage, with the City Treasurer. Fees for answering a subpoena as a witness during hours other than regularly scheduled working hours may be retained by the employee.

ARTICLE XVI

JURY DUTY

An employee summoned to and serving on jury duty shall inform his Department Head and may be absent from duty with full pay. Except for travel expense, the employee shall receive the difference between his full regular pay and the pay received for jury duty.

ARTICLE XVII

LEAVE OF ABSENCE WITHOUT PAY

The City Manager may grant a permanent or probationary employee leave of absence without pay for a period not to exceed three months. No such leave shall be granted except upon written request of the employee, setting forth the reason for the request, and the approval will be in writing. Upon expiration of a regularly approved leave or within a reasonable period of time after notice to return to duty, the employee shall be reinstated in the position held at the time leave was granted. Failure on the part of the employee on leave to report promptly at the expiration of the leave shall be cause for discharge. Failure of the employee to report for work more than five consecutive days after his or her leave of absence has ended shall constitute an automatic resignation by the employee as of the date on which the employee was due to return to work.

ARTICLE XVIII

MILITARY LEAVE OF ABSENCE

All permanent, competitive service employees are entitled to military leave of absence. An employee who has been in the service of the Armed Services of the United States (Army, Navy, Marine Corps or Air Force) for active reserve duty, shall be allowed a paid leave of absence for a period not to exceed thirty (30) days in any calendar year, provided that the period of active reserve duty does not exceed one hundred eighty (180) calendar days. An employee required to perform active duty with such organizations for a period in excess of that for which compensation may be paid hereunder may be granted a leave of absence without pay. CITY service shall not be deemed to be interrupted by such absence. An employee's employment status, with reference to promotion or continuance in office, employment, reappointment to office or re-employment, shall not be prejudiced directly or indirectly by reason of any absence from duty on account of actual service in the military forces of the United States.

ARTICLE XIX

CATASTROPHIC LEAVE

All permanent, competitive service employees may receive catastrophic leave donations from other employees (on a voluntary basis) if the employee has a catastrophic medical condition which will require the employee to be on unpaid leave for at least one month. Provided the employee has exhausted all accrued sick leave, vacation, and compensatory time, a written request for donations shall be submitted to the Department Head. The request must be accompanied by a medical statement from the employee's attending physician who verifies the employee's need for an extended medical leave and must include a brief statement of the nature of the illness or injury and an estimated time the employee will be unable to work. Employees who receive donations under this procedure and who exhaust all donated sick leave may request an additional donation period subject to the aforesaid provisions.

ARTICLE XX

EXEMPT POSITIONS

All mid-management/confidential employees included in the provisions of this Resolution shall receive no additional compensation for overtime hours worked. The monthly salary shall be

considered full compensation for all hours worked, however, administrative leave may be granted when approved by the City Manager for good and sufficient cause. The City Manager shall have the authority to delegate this authority to the Department Head.

Under the Federal Labor Standards Act (FLSA), salaried employees (mid-managers and managers) are classified as exempt employees. However, should there be an implementation of furloughs, exempt employees lose their exempt status during a workweek in which the designated furlough hours take place and therefore will be entitled to overtime pay (if over 40 hours) for overtime worked in that week. Subject to the approval of the City Manager and the following provisions, a Department Head may prescribe reasonable periods of overtime work to meet operational needs of his/her department. Employees shall be compensated for overtime by the payment at the rate of one-and-one-half (1-1/2) times the employee's normal rate of pay for all hours over forty (40) worked in a seven (7) day work period and at the rate of two (2) times the employee's normal rate of pay for Sundays and holidays.

ARTICLE XXI

ADMINISTRATIVE LEAVE

All Mid-Management employees are entitled to administrative leave up to 80 hours per fiscal year. Part-time, regular, permanent, competitive service Mid-Management employees shall accrue administrative leave on a pro-rata basis based on the full-time equivalent level of their position (e.g. 0.75 or 0.50). Administrative leave is subject to approval by the Department Head. Unused administrative leave cannot be carried over to the next fiscal year nor can it be bought back.

MISCELLANEOUS PROVISIONS

Automobile Use Reimbursement. An employee may claim automobile reimbursement for the use of his/her own private automobile in the course of his/her CITY employment or on CITY business. Such use of a private vehicle shall only be when the CITY vehicle is not available for transportation. Reimbursement at a rate consistent with the Internal Revenue Service standard may be approved for use of private vehicles on CITY business within the CITY or within a radius of sixty (60) miles there from.

Commercial Transportation Allowance.

If an employee prefers to use his/her private vehicle, he/she may be reimbursed up to the amount of the cost of commercial transportation only. The Internal Revenue Service standard rate per mile will not apply in cases where the calculated reimbursement amount exceeds the cost of commercial transportation.
- C. When air, rail or public transportation is used, expenses necessary for local transportation, such as taxi cab and bus fare, will be allowed whenever such transportation is necessary for the conduct of CITY business after approval by the City Manager.

Out-of-City Travel. Meetings and Convention Expense.

If, in the judgment of the City Manager, the estimated expenses of the approved contemplated travel, lodging and other related expenses pertinent to said trip are too high and would create a hardship for the employees to finance initially and the employees do not have City-issued purchasing cards, then the City Manager may authorize an advance payment of the estimated amount to the employee. Upon return of the employee from said trip, he/she shall submit an itemized statement as to his/her actual expenses. Final adjustments shall be made to the favor of the employee or the CITY, whichever the case may be. The cost of lodging and meals shall be at a reasonable rate, appropriate to the purpose of the trip, and in compliance with Administrative Order No. 51 – Transportation, Travel and Meeting expenses.
