FOR COMPLETION OF IMPROVEMENTS

PARCEL MAP NO. PM2023-105

between

THE CITY OF YORBA LINDA

a California municipal corporation

and

LAKEVIEW BUILDERS LLC

INCORPORATED IN CALIFORNIA

SUBDIVISION IMPROVEMENT AGREEMENT

FOR COMPLETION OF IMPROVEMENTS
PARCEL MAP NO. 2023-105

I. PARTIES AND DATE.

This Subdivision Improvement Agreement for the Completion of Improvements ("Agreement") is entered into as of this 7th day of April, 2026, by and between the City of Yorba Linda, a California municipal corporation ("City"), **F&P Irrevocable Trust and Feizollah Agahi Irrevocable Trust** ("Owner"), and **Lakeview Builders LLC** ("Developer"). City and Developer are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

II. RECITALS.

A. On February 13, 2025, Developer submitted to City an application for approval of a tentative Parcel Map for real property located within City, a legal description of which is attached hereto as Exhibit "A" ("Property"). The tentative parcel map was prepared on behalf of Developer by Sake Engineers, Inc. and is identified in City records as Parcel Map No. 2023-105.

B. Developer's application for a tentative parcel map for Parcel No. 2023-105 was deemed complete on October 23, 2025. This subdivision utilizes SB 9 procedures and thus does not require Planning Commission approval for a tentative Parcel Map for Parcel Map No. 2023-105.

C. Developer proposes to do and perform certain work of improvement thereon as set forth in this Agreement on behalf of the Owner.

D. Developer has not completed all of the work or made all of the improvements required by Title 17 of the Yorba Linda Municipal Code, the Subdivision Map Act (Government Code sections 66410, et seq.) ("Map Act"), the conditions of approval for Parcel Map No. 2023-105, or other ordinances, resolutions, or policies of City requiring construction of improvements in conjunction with the subdivision of land.

E. Pursuant to Title 17 of the Yorba Linda Municipal Code and the applicable provisions of the Map Act, Developer and City enter into this Agreement for the timely construction and completion of the improvements and the furnishing of the security therefor, acceptable to the City Engineer and City Attorney, for Parcel Map No. 2023-105.

F. Developer's execution of this Agreement and the provision of the security are made in consideration of City's approval of the final map for Parcel Map No. 2023-105.

III. TERMS.

1.0 Effectiveness. This Agreement shall not be effective unless and until all three of the following conditions are satisfied: (a) Developer provides City with security of the type and in the amounts required by this Agreement; (b) Developer executes and records this Agreement in the Recorder's Office of the County of Orange; and (c) the City Council of the City of Yorba Linda ("City Council") approves the final map for Parcel Map No. 2023-105 and Developer records the final map for Parcel Map No. 2023-105 in the Recorder's Office of the County of Orange. If any of the above described conditions are not satisfied, this Agreement shall automatically terminate without need of further action by either City or Developer, and Developer may not thereafter record the final map for Parcel Map No. 2023-105.

1.1 Definitions. For purposes of enforcing this Agreement, the term "City" shall include, but shall not be limited to, City Council, City Engineer, Community Development Director, Building Official, or any of their authorized representatives. City shall have the sole and absolute discretion to determine which public body, public official or public employee may act on behalf of City for any particular purpose.

2.0 Public Improvements. Developer has already constructed public improvements at its own cost, expense, and liability as required by City as part of the previous approval for Parcel 1 improvements under Grading Permit (GP23-003), including, but not limited to, all grading, roads, paving, curbs and gutters, pathways, storm drains, sanitary sewers, utilities, drainage facilities, traffic controls, landscaping, street lights, and all other required facilities as shown in detail on the plans, profiles, and specifications which have been prepared by or on behalf of Developer for Parcel Map No. 2023-105 and Grading Permit GP23-003 ("Public Improvements").

3.0 Construction Schedule. Unless extended pursuant to Section 4.1 of this Agreement, Developer shall fully and adequately complete or have completed the Improvements within twelve (12) months following approval of the final map for Parcel Map No. 2023-105.

3.1 Extensions. City may, in its sole and absolute discretion, provide Developer with additional time within which to complete the Improvements. It is understood that by providing the security required under Section 13.0, et seq., of this Agreement, Developer and its surety consent in advance to any extension of time as may be given by City to Developer, and waives any and all right to notice of such extension(s). Developer's acceptance of an extension of time granted by City shall constitute a waiver by Developer and its surety of all defense of laches, estoppel, statutes of limitations, and other limitations of action in any action or proceeding filed by City following the date on which the Improvements were to have been completed hereunder. In addition, as consideration for granting such extension to Developer, City reserves the right to review the provisions of this Agreement, including, but not limited to, the construction standards, the cost estimates established by City, and the sufficiency of the improvement security provided by Developer, and to require adjustments thereto when warranted according to City's reasonable discretion.

3.2 Accrual of Limitations Period. Any limitations period provided by law related to breach of this Agreement or the terms thereof shall not accrue until Developer has provided the City Engineer with written notice of Developer's intent to abandon or otherwise not complete required or agreed upon Improvements.

4.0 Grading. Developer agrees that any and all grading done or to be done in conjunction with construction of the Improvements or development of Parcel Map No. 2023-105 shall conform to all federal, state, and local laws, ordinances, regulations, and other requirements including, without limitation, the City's grading regulations, the National Pollutant Discharge Elimination Systems (NPDES), and stormwater regulations thereunder as administered by the State Water Resources Control Board and Regional Water Quality Control Boards. In order to prevent damage to the Improvements by improper drainage or other hazards, the grading shall be completed in accordance with the time schedule for completion of the Improvements established by this Agreement, and prior to City's approval and acceptance of the Improvements and release of the Security as set forth in Section 13.0, et seq., of this Agreement. Developer further agrees that the indemnification as set forth in Section 16.0 of this Agreement shall extend to and include any and all grading contemplated by this Agreement, including but not limited to, any partial or rough grading work.

5.0 Utilities. Developer shall provide utility services, including water, power, gas, and telephone service to serve each parcel, lot, or unit of land within Parcel Map No. 2023-105 in accordance with all applicable federal, state, and local laws, rules, and regulations, including, but not limited to, the regulations, schedules and fees of the utilities or agencies providing such services. Except for commercial or industrial properties, Developer shall also provide cable television facilities to serve each parcel, lot, or unit of land in accordance with all applicable federal, state, and local laws, rules, and regulations, including, but not limited to, the requirements of the cable company possessing a valid franchise with City to provide such service within City's jurisdictional limits. All utilities shall be installed underground, unless otherwise approved by the City Council or the Planning Commission of the City of Yorba Linda, or by any other state or federal laws or regulations.

6.0 Fees and Charges. Developer shall, at its sole cost, expense, and liability, pay all fees, charges, and taxes arising out of construction of the Improvements, including, but not limited to, all plan check, report review, engineering, inspection, testing, and other service fees, and any impact or connection fees established by City ordinance, resolution, regulation, or policy, or as established by City relative to Parcel Map No. 2023-105.

7.0 City Inspection of Improvements. Developer shall, at its sole cost, expense, and liability, and at all times during construction of the Improvements, maintain reasonable and safe facilities and provide safe access for inspection by City of the Improvements and areas where construction of the Improvements is occurring or will occur.

8.0 Default; Notice; Remedies.

8.1 Notice. If Developer neglects, refuses, or fails to fulfill or timely complete any obligation, term, or condition of this Agreement, or if City determines there is a violation of any federal, state, or local law, ordinance, regulation, code, standard, or other requirement, City may at any time thereafter declare Developer to be in default or violation of this Agreement and make written demand upon Developer or its surety, or both, to immediately remedy the default or violation ("Notice"). Developer shall substantially commence the work required to remedy the default or violation within ten (10) days of the Notice. If the default or violation constitutes an immediate threat to the public health, safety, or welfare, City may provide the Notice verbally, and Developer shall substantially commence the required work within twenty-four (24) hours thereof. Immediately upon City's issuance of the Notice, Developer and its surety shall be liable to City for all costs of construction and installation of the Improvements and all other administrative costs expenses as provided for in Section 9.0 of this Agreement.

8.2 Failure to Remedy; City Action. If the work required to remedy the noticed default or violation is not diligently prosecuted to a completion acceptable to City within the time frame contained in the Notice, City may complete all remaining work, arrange for the completion of all remaining work, and/or conduct such remedial activity as in its sole and absolute discretion it believes is required to remedy the default or violation. All such work or remedial activity shall be at the sole and absolute cost, expense, and liability of Developer and its surety, without the necessity of giving any further notice to Developer or surety. City's right to take such actions shall in no way be limited by the fact that Developer or its surety may have constructed any, or none of the required or agreed upon Improvements at the time of City's demand for performance. In the event City elects to complete or arrange for completion of the remaining work and improvements, City may require all work by Developer or its surety to cease in order to allow adequate coordination by City. Notwithstanding the foregoing, if conditions precedent for reversion to acreage can be met and if the interests of City will not be prejudiced thereby, City may also process a reversion to acreage and thereafter recover from Developer or its surety the full cost and expense incurred.

8.3 Other Remedies. No action by City pursuant to Section 9.0, et seq., of this Agreement shall prohibit City from exercising any other right or pursuing any other legal or equitable remedy available under this Agreement or any federal, state, or local law. City may exercise its rights and remedies independently or cumulatively, and City may pursue inconsistent remedies. City may institute an action for damages, injunctive relief, or specific performance.

9.0 Administrative Costs. If Developer fails to construct and install all or any part of the Improvements within the time required by this Agreement, or if Developer fails to comply with any other obligation contained herein, Developer and its surety shall be jointly and severally liable to City for all administrative expenses, fees, and costs, including reasonable attorney's fees and costs, incurred in obtaining compliance with this Agreement or in processing any legal action or for any other remedies permitted by law.

10.0 Acceptance of Improvements; As-Built or Record Drawings. If the Improvements are properly completed by Developer and approved by the City Engineer, and if they comply with all applicable federal, state and local laws, ordinances, regulations, codes, standards, and other requirements, the City Council shall be authorized to accept the Improvements. The City Council may, in its sole and absolute discretion, accept fully completed portions of the Improvements prior to such time as all of the Improvements are complete, which shall not release or modify Developer's obligation to complete the remainder of the Improvements within the time required by this Agreement. Upon the total or partial acceptance of the Improvements by City, Developer shall file with the Recorder's Office of the County of Orange a Notice of Completion for the accepted Improvements in accordance with California Civil Code section 3093, at which time the accepted Improvements shall become the sole and exclusive property of City without payment therefore.

If Parcel Map No. 2023-105 was approved and recorded as a single phase map, City shall not accept any one or more of the improvements until all of the Improvements are completed by Developer and approved by City.

Issuance by City of occupancy permits for any buildings or structures located on the Property shall not be construed in any manner to constitute City's acceptance or approval of any Improvements. Notwithstanding the foregoing, City may not accept any Improvements unless and until Developer provides one (1) set of "as-built" or record drawings or plans to the City Engineer for all such Improvements. The drawings shall be certified and shall reflect the condition of the Improvements as constructed, with all changes incorporated therein.

11.0 Warranty and Guarantee. Developer hereby warrants and guarantees all Improvements against any defective work or labor done, or defective materials furnished in the performance of this Agreement, including the maintenance of all landscaping within the Property in a vigorous and thriving condition reasonably acceptable to City, for a period of one (1) year following completion of the work and acceptance by City ("Warranty"). During the Warranty, Developer shall repair, replace, or reconstruct any defective or otherwise unsatisfactory portion of the Improvements, in accordance with the current ordinances, resolutions, regulations, codes, standards, or other requirements of City, and to the approval of the City Engineer. All repairs, replacements, or reconstruction during the Warranty shall be at the sole cost, expense, and liability of Developer and its surety. As to any Improvements which have been repaired, replaced, or reconstructed during the Warranty, Developer and its surety hereby agree to extend the Warranty for an additional one (1) year period following City's acceptance of the repaired, replaced, or reconstructed Improvements. Nothing herein shall relieve Developer from any other liability it may have under federal, state, or local law to repair, replace, or reconstruct any Improvement following expiration of the Warranty or any extension thereof. Developer's warranty obligation under this section shall survive the expiration or termination of this Agreement.

12.0 Security; Surety Bonds. Developer shall provide City with surety bonds in the amounts and under the terms set forth below ("Security") when Parcel Map No. 2023-105 is developed. Nothing in this Section 13.0 is intended to prevent City, in its

sole discretion, from requiring Developer to submit, or prevent Developer from submitting, security in a form other than bonds which may be allowed under California Government Code Section 66499, et seq. and Title 17 of the Yorba Linda Municipal Code, and acceptable to the City. The amount of the Security shall be based on the City Engineer's approximation of the actual cost to construct the Improvements, including the replacement cost for all landscaping ("Estimated Costs"). If City determines, in its sole and absolute discretion, that the Estimated Costs have changed, Developer shall adjust the Security in the amount requested by City. Developer's compliance with this provision (Section 13.0, et seq.) shall in no way limit or modify Developer's indemnification obligation provided in Section 16.0 of this Agreement.

12.1 Performance Bond. To guarantee the faithful performance of the Improvements and all the provisions of this Agreement, to protect City if Developer is in default as set forth in Section 9.0, et seq., of this Agreement, and to secure Developer's one-year guarantee and warranty of the Improvements, including the maintenance of all landscaping in a vigorous and thriving condition, Developer shall provide City a faithful performance bond which sum shall be not less than one hundred percent (100%) of the Estimated Costs. The City Council may, in its sole and absolute discretion and upon recommendation of the City Engineer, partially release a portion or portions of the security provided under this section as the Improvements are accepted by City, as provided under Section 13.0 herein, provided that Developer is not in default on any provision of this Agreement or condition of approval for Parcel Map No. 2023-105, and the total remaining security is not less than twenty-five percent (25%) of the Estimated Costs. All security provided under this section shall be released at the end of the Warranty period, or any extension thereof as provided in Section 12.0 of this Agreement, provided that Developer is not in default on any provision of this Agreement or condition of approval for Parcel Map No. 2023-105.

12.2 Labor and Material Bond. To secure payment to the contractors, subcontractors, laborers, material men, and other persons furnishing labor, materials, or equipment for performance of the Improvements and this Agreement, Developer shall provide City a labor and materials bond which sum shall not be less than one hundred percent (100%) of the Estimated Costs. The security provided under this section may be released by written authorization of the City Engineer after one (1) year or within the time limits established in California Government Code section 66499.7 from the date City accepts the final Improvements at the discretion of the City. The amount of such security shall be reduced by the total of all stop notice or mechanic's lien claims of which City is aware, plus an amount equal to twenty percent (20%) of such claims for reimbursement of City's anticipated administrative and legal expenses arising out of such claims.

12.3 Additional Requirements. The surety for any surety bonds provided as Security shall have a current A.M. Best's rating of no less than A:VII and authorized to do business in the State of California or otherwise allowed to place insurance through surplus line brokers under applicable provisions of the California Insurance Code or any federal law, and shall be satisfactory to City. As part of the obligation secured by the Security and in addition to the face amount of the Security, the Developer or its surety shall secure the costs and reasonable expenses and fees, including reasonable

attorney's fees and costs, incurred by City in enforcing the obligations of this Agreement. The Developer and its surety stipulate and agree that no change, extension of time, alteration, or addition to the terms of this Agreement, the Improvements, or the plans and specifications for the Improvements shall in any way affect its obligation on the Security.

12.4 Evidence and Incorporation of Security. Evidence of the Security shall be provided on the forms set forth in Exhibit "C", unless other forms are deemed acceptable by the City Engineer and the City Attorney, and when such forms are completed to the satisfaction of City, the forms and evidence of the Security shall be attached hereto as Exhibit "C" and incorporated herein by this reference.

13.0 Monument Security. Prior to City's execution of this Agreement, to guarantee payment to the engineer or surveyor for the setting of all subdivision boundaries, lot corners, and street centerline monuments for Parcel Map No. 2023-105 in compliance with the applicable provisions of City's Municipal and/or Development Code ("Subdivision Monuments"), Developer shall furnish to City a bond in the amount of **TWO THOUSAND DOLLARS (\$2,000.00)** which sum shall not be less than one hundred percent (100%) of the costs of setting the Subdivision Monuments as determined by the City Engineer. Said bond may be released by written authorization of the City Engineer after all required Subdivision Monuments are accepted by the City Engineer, City has received written acknowledgment of payment in full from the engineer or surveyor who set the Subdivision Monuments, and provided Developer is not in default of any provision of this Agreement or condition of approval for Parcel Map No. 2023-105.

14.0 Lien. To secure the timely performance of Developer's obligations under this Agreement, including those obligations for which security has been provided pursuant to Sections 13.0, et seq., and 14.0 of this Agreement, Developer hereby creates in favor of City a lien against all portions of the Property not dedicated to City or some other governmental agency for a public purpose. As to Developer's default on those obligations for which security has been provided pursuant to Sections 13.0, et seq., and 14.0 of this Agreement, City shall first attempt to collect against such security prior to exercising its rights as a contract lienholder under this section.

15.0 Indemnification. Developer shall defend, indemnify, and hold harmless City, its elected officials, officers, employees, agents and volunteers from any and all actual or alleged claims, demands, causes of action, liability, loss, damage, or injury, to property or persons, including wrongful death, whether imposed by a court of law or by administrative action of any federal, state, or local governmental body or agency, arising out of or incident to any acts, omissions, negligence, or willful misconduct of Developer, its personnel, employees, agents, or contractors in connection with or arising out of construction or maintenance of the Improvements, or performance of this Agreement. This indemnification includes, without limitation, the payment of all penalties, fines, judgments, awards, decrees, attorneys fees, and related costs or expenses, and the reimbursement of City, its elected officials, officers, employees, and/or agents for all legal expenses and costs incurred by each of them. This indemnification excludes only such portion of any claim, demand, cause of action, liability, loss, damage, penalty, fine,

or injury, to property or persons, including wrongful death, which is caused solely and exclusively by the negligence or willful misconduct of City as determined by a court or administrative body of competent jurisdiction. Developer's obligation to indemnify shall survive the expiration or termination of this Agreement, and shall not be restricted to insurance proceeds, if any, received by Agency, its elected officials, officers, employees, agents or volunteers.

16.0 Signs and Advertising. Developer understands and agrees to City's ordinances, regulations, and requirements governing signs and advertising structures. Developer hereby agrees with and consents to the removal by City of all signs or other advertising structures erected, placed, or situated in violation of any City ordinance, regulation, or other requirement. Removal shall be at the expense of Developer and its surety. Developer and its surety shall indemnify and hold City free and harmless from any claim or demand arising out of or incident to signs, advertising structures, or their removal.

17.0 Relationship Between the Parties. The Parties hereby mutually agree that neither this Agreement, any map related to Parcel Map No. 2023-105, nor any other related entitlement, permit, or approval issued by City for the Property shall operate to create the relationship of partnership, joint venture, or agency between City and Developer. Developer's contractors and subcontractors are exclusively and solely under the control and dominion of Developer. Nothing herein shall be deemed to make Developer, its contractors or subcontractors an agent, contractor or subcontractor of City.

18.0 General Provisions.

18.1 Authority to Enter Agreement. Each Party warrants that the individuals who have signed this Agreement have the legal power, right, and authority make this Agreement and bind each respective Party.

18.2 Cooperation; Further Acts. The Parties shall fully cooperate with one another, and shall take any additional acts or sign any additional documents as may be necessary, appropriate, or convenient to attain the purposes of this Agreement.

18.3 Construction; References; Captions. It being agreed the Parties or their agents have participated in the preparation of this Agreement, the language of this Agreement shall be construed simply, according to its fair meaning, and not strictly for or against any Party. Any term referencing time, days, or period for performance shall be deemed calendar days and not work days. All references to Developer include all personnel, employees, agents, and subcontractors of Developer, except as otherwise specified in this Agreement. All references to City include its elected officials, officers, employees, agents, and volunteers except as otherwise specified in this Agreement. The captions of the various articles and paragraphs are for convenience and ease of reference only, and do not define, limit, augment, or describe the scope, content, or intent of this Agreement.

18.4 Notices. All notices, demands, invoices, and written communications shall be in writing and delivered to the following addresses or such other addresses as the Parties may designate by written notice:

18.5 Amendment; Modification. No supplement, modification, or amendment of this Agreement shall be binding unless executed in writing and signed by both Parties.

18.6 Waiver. City's failure to insist upon strict compliance with any provision of this Agreement or to exercise any right or privilege provided herein, or City's waiver of any breach of this Agreement, shall not relieve Developer of any of its obligations under this Agreement, whether of the same or similar type. The foregoing shall be true whether City's actions are intentional or unintentional. Developer agrees to waive, as a defense, counterclaim or set off, any and all defects, irregularities or deficiencies in the authorization, execution or performance of the Improvements or this Agreement, as well as the laws, rules, regulations, ordinances or resolutions of City with regards to the authorization, execution or performance of the Improvements or this Agreement.

18.7 Assignment or Transfer of Agreement. Developer shall not assign, hypothecate, or transfer, either directly or by operation of law, this Agreement or any interest herein without prior written consent of City. Any attempt to do so shall be null and void, and any assignee, hypothecatee, or transferee shall acquire no right or interest by reason of such attempted assignment, hypothecation, or transfer. Unless specifically stated to the contrary in City's written consent, any assignment, hypothecation, or transfer shall not release or discharge Developer from any duty or responsibility under this Agreement. In the event that the City consents in writing to such an assignment, any assignee, hypothecatee or transferee shall expressly assume Developer's obligations hereunder by a written agreement in a form, and containing such security, as is reasonably acceptable to the City.

The agreement shall be to the satisfaction of the City Attorney and shall include provisions requiring the assignee to post bonds or submit another form of financial security, satisfactory to the City and approved by the City Attorney, to guarantee construction of the Improvements. The agreement shall survive the recordation of the Final Map and shall be recorded against each of the proposed lots to

inform successors and assigns of the required Improvements to be constructed and their time frame for construction.

Following any permitted assignment of the Improvements as set forth in this Section 18.7, the City shall release the Developer from its obligations so assigned and shall release to the Developer any bonds or other security posted to secure the Improvements so assigned; provided, however, that the City shall not release any security or undertakings given to secure the performance of any of the Improvements not assigned.

18.8 Binding Effect. Each and all of the covenants and conditions shall be binding on and shall inure to the benefit of the Parties, and their successors, heirs, personal representatives, or assigns. This section shall not be construed as an authorization for any Party to assign any right or obligation.

18.9 No Third Party Beneficiaries. There are no intended third party beneficiaries of any right or obligation assumed by the Parties.

18.10 Invalidity; Severability. If any portion of this Agreement is declared invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions shall continue in full force and effect.

18.11 Consent to Jurisdiction and Venue. This Agreement shall be construed in accordance with and governed by the laws of the State of California. Any legal action or proceeding brought to interpret or enforce this Agreement, or which in any way arises out of the Parties' activities undertaken pursuant to this Agreement, shall be filed and prosecuted in the appropriate California State Court in the County of Orange, California. Each Party waives the benefit of any provision of state or federal law providing for a change of venue to any other court or jurisdiction including, without limitation, a change of venue based on the fact that a governmental entity is a party to the action or proceeding, or that a federal right or question is involved or alleged to be involved in the action or proceeding. Without limiting the generality of the foregoing waiver, Developer expressly waives any right to have venue transferred pursuant to California Code of Civil Procedure Section 394.

18.12 Attorneys' Fees and Costs. If any arbitration, lawsuit, or other legal action or proceeding is brought by one Party against the other Party in connection with this Agreement or the Property, the prevailing party, whether by final judgment or arbitration award, shall be entitled to and recover from the other party all costs and expenses incurred by the prevailing party, including actual attorneys' fees ("Costs"). Any judgment, order, or award entered in such legal action or proceeding shall contain a specific provision providing for the recovery of Costs, which shall include, without limitation, attorneys' and experts' fees, costs and expenses incurred in the following: (a) post judgment motions and appeals, (b) contempt proceedings, (c) garnishment, levy, and debtor and third party examination, (d) discovery, and (e) bankruptcy litigation. This section shall survive the termination or expiration of this Agreement.

18.13 Counterparts. This Agreement may be executed in counterpart originals, which taken together, shall constitute one and the same instrument.
